Well, since we have purged much of the Communist Infil from LEO, I will allow the thin blue line to be posted.
This time.
Be it known I do not like Altwatron of The Flag.
Blue Lives please come up with a Flag that does not involve Alteration of The Flag.

Then you will love The Book, detailing years of Intrigue.
All purely fictional, of course, and dumbed down to be believable to the average in the dark consumer.

Uh.
The kid games blockchains were just to get you used to using it.
Smart money left a long time ago, and the rest are sneaking out the back door, thus the constant bleed as they exit via Algo.
The New Globalist Blockchain will be;
D.) None of the above.
And YOU won't be making ANYTHING off of it.
I dont know how I can say this more Clearly.
